RE: Application of Daufuskie Island Utility Company, Incorporated for Approval of an
Increase for Water and Sewer Rates, Terms and Conditions
Docket No: 2014-346-WS

Dear Ms. Boyd:

On August 7, 2020,¹ counsel for Daufuskie Island Utility Company, Inc. ("DIUC") filed a letter with the Public Service Commission of South Carolina ("Commission") requesting a three-day extension to the August 10, 2020, deadline by which it is required to furnish notice of its requested rate increase to its customers.² The South Carolina Office of Regulatory Staff does not object to DIUC's request provided the Commission commensurately extends the date on which persons may intervene in this docket by three days. This commensurate extension would help to maintain an appropriate amount of time between the date a customer receives notice and the date by which they must file a Petition to Intervene. If granted, the new date by which a person must file a Petition to Intervene would be September 3, 2020.

Sincerely,

s/ Andrew M. Bateman
